Don't Borrow Trouble.

It is a bad habit to borrow anything, but the worst thing you can possibly borrow is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Electric Bitters. Here you will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease. At the Red Cross Pharmacy and Parlor Drug Store. Price 50c. Guaranteed.

Twice as Many Eggs.

The man who can make two spears of grass grow where one grew before is certainly a benefactor. What shall we say of a Poultry Food that makes hens lay twice as many eggs as before? Fred W. Frost of Lyndon, Vt., says that his hens did that after feeding them Page's Perfected Poultry Food. Here's his letter: "After using Page's Perfected Poultry Food for two weeks my hens laid more than twice as many eggs as before. I intend to use it right along."

## The Voice of Science.

The use of alcohol as a beverage or therapeutically, is in either case a habit of the mind. The stimulation is but temporary, the reaction leaving the nerve cells of the individual with less resisting power than before the ingestion of alcohol. \* \* \* Never permit a verbal or written prescription of yours to give rise to the use of a habit forming drug.

—From a lecture to students in Omaha Medical College by J. M. Aiken, M. D., Clinical Instructor and Lecturer upon Nervous and Mental Diseases.

No sound, scientific argument can be offered for the medical use of alcohol, either internally or externally. It is a toxic substance which ought to be retired from the materia medica, and placed in the catalogue of obsolete drugs along with tobacco, lobelia, and like useless but highly toxic drug substances.

—Dr. J. H. Kellogg, Superintendent Battle Creek Sanitarium, Battle Creek, Michigan.

In a general practice of twenty-five years I have never used alcohol in any form in the treatment of my cases; I have never felt it was indicated in any case.

—Dr. George H. Martin, San Francisco, California, Lecturer on Nervous and Mental Diseases at Hahenemann Hospital College.

My rule in practice is to avoid the use of alcohol as much as possible. I practically never use it except where it is necessary as a solvent.

—Dr. C. F. Griffin, Adjunct to Chair of Materia Medica and Therapeutics, Cooper Medical College, San Francisco, California.

Alcoholic liquids, though much used, have very limited value as therapeutic agents.

—A. E. Hedback, M. D., Barron, Wisconsin.

## D. F. DAVIS SUCCESSFUL.

After a great deal of effort and correspondence, D. F. Davis, the popular druggist, has succeeded in getting the Dr. Howard Co. to make a special half-price introductory offer on the regular fifty-cent size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a recent discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief, but it makes permanent cures.

Dr. Howard's specific has been so remarkably successful in curing constipation, dyspepsia and all liver troubles, that D. F. Davis is willing to return the price paid in every case where it does not give relief.

The old-fashioned idea of dosing with mineral waters, cathartic pills or harsh purgatives will soon be a thing of the past. The best physicians are prescribing Dr. Howard's specific because it really gives the desired results and on account of the small and pleasant dose that is needed.

Headaches, coated tongue, dizziness, gas on stomach, specks before the eyes, constipation, and all forms of liver and stomach trouble are soon cured by this scientific medicine.

## THE PERFECT WAY.

Scores of Barre Citizens Have Learned It.

If you suffer from backache, there is only one way to cure the kidneys.

A bad back means sick kidneys. Neglect it, urinary troubles follow.

Doan's Kidney Pills are made for kidneys only.

Are endorsed by Barre people.

Geo. W. Brown, carpenter of 22 Berlin Street, says: "When living at 22 Pearl Street in the winter of 1897, I procured Doan's Kidney Pills at E. A. Brown's drug store and after giving them a thorough trial I made the following statement through the Barre newspapers: 'Doan's Kidney Pills were worth their weight in gold to me.' That is my honest opinion. I add my reasons for thinking so. A few years ago I strained my back. It bothered me some at the time, but I paid little attention to it, thinking it would leave off of its own accord. It did not. It developed quite a serious kidney trouble. I tried various remedies but found nothing brought permanent benefit. In some manner my attention was called to Doan's Kidney Pills and I tried them. They did me a wonderful amount of good, and stopped a weakness of the kidneys and renal organs which was very annoying at night. Now to-day, in the month of May, 1902, I am pleased to continue my endorsement of Doan's Kidney Pills. I know of friends who have been benefited by their use. I have never relapsed into the condition that existed when Doan's Kidney Pills first came to my notice."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
